FROM THE SPORTS CHAIRMAN

Don't forget about the golf sign-up or Moose Texas Hold-um sign up in the social quarters. Assuming we have enough participants, I am looking for weekends in April for the Texas Hold-um tournament. As always, please let me know your suggestions for sporting events in which you would like to participate.

With spring training is underway in the south, soon it will be baseball season in our area. And, in case you are not aware, State Park Little League is currently in an expansion due to a donation of land from Ron McColly. Our goal is use that land to offer ALL Duneland children exceptional baseball opportunities. I say ALL in capitals to get your attention. All children in Duneland includes the special needs children ages 5-21 who play Challenger baseball. Since the early 90's State Park has been home to the State Park Challengers. As Moose members you should feel proud that you have been a part of the Challenger sponsorship throughout the years.

As part of our expansion, State Park wants to build an all abilities "accessible" ball field which will be much more user friendly to our Challenger players. You can continue to help support State Park and our expansion efforts by attending our fun filled casino night. See details on this event on the front page.

Joe Petrovich – interim sports chair.

KITCHEN KLATTER

Greetings,

For those of you who do not know me, allow me to introduce myself, my name is Gina Cobb and I am your new Kitchen Manager. I have always had a passion for cooking. I try as much as possible to make everything from scratch. All of my sauces and gravies are homemade no additives or preservatives as well as the salads on the salad bar. Everything is made with love, no recipes; they are all in my head. It makes me happy to make others happy through my cooking, this must be a trait inherited from my Nona.

So far we have had some great feedback, please keep the feedback coming we need to know your likes and dislikes. Don't be shy I will probably come up to your table and ask how everything is and also to say hello and shoot the breeze a bit.

Watch your news letter for upcoming specials and remember you can always come down for a steak, fish, burgers etc. So come on out support your lodge, and get a great affordable meal at the same time, come on out for Friday night dinner!

Bonappetito!!

Gina Cobb, Kitchen Manager
